is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report NC-9046/55/2013

Tested for harmful substances
according to Oeko-Tex® Standard 100

IW 00108

IW

for the following articles:

Polyurethane polyether standard foams white and dyed for production of furniture, mattresses and other elements up to a thickness of 20 cm

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.06.2014
